

## Alcohol Restrictions

To provide a safe and enjoyable experience we have adopted several restrictions regarding the sale and service of alcoholic beverages for all public and private events.

- We will check ID's and issue wristbands to all guests so that we can quickly identify who can and cannot legally consume or buy alcohol.
- Heart of the Desert and its employees will stop serving any guest that they feel has had enough to drink. NM Alcohol Beverage Control has established specific guidelines for monitoring guests when consuming alcohol.
- No outside alcohol of any kind is permitted on Heart of the Desert premises due to NM Alcohol Beverage Control Laws. Possession or consumption of alcohol in violation of NM Alcohol Beverage Control Laws may result in fines or other adverse actions against heart of the Desert. The client will be held responsible for any such fines or losses. ***(This includes any dressing room areas)***
- If any outside alcohol is found on the premise, the clients event deposit will NOT be refunded and additional fines may be imposed
- Absolutely no drinking in the parking lot which is to include the inside of any parked vehicles.

- When purchasing or ordering alcohol each guest is restricted to a maximum of two drinks at one time or one bottle of wine per two guests.
- We do not accept vertical ID's for the sale or consumption of alcoholic beverages. If your guests have a vertical ID they will not be allowed to buy or consume alcohol during the event.
