They decided on two of our popular products, the Pistachio Caramel Popcorn, and the Garlic & Green pistachios to label with the ENMU Greyhound. The sale of those products returns a percentage to the university to use in support of student scholarships. We're delighted to be part of that support, and are looking forward to adding more schools and scholarship programs. Go GREYHOUNDS!

NEW MEXICO FARM & RANCH HERITAGE MUSEUM

For at least 4,000 years, people have been growing food in this region and the New Mexico Farm & Ranch Heritage Museum in Las Cruces tells this amazing story through interactive exhibits, demonstrations, and educational programs. A top attraction in southern New Mexico, the 47-acre campus features several barns, livestock, a greenhouse, permanent and changing exhibits, theater, and of course, the Heart of the Desert Gift Shop & Snack Bar.
